21 9.2.61 In the draft govt order, it is proposed to grant the land subject under the new land grant rules of R.D. (A on P. 11 ff). It is not clear to which rules and on what basis is the reference made. From the records, it is seen that the land in question is required both for agricultural & non-agricultural purposes. There are different rules for grant of land for agricultural & non-agricultural purposes. Hence either specific reference to the relevant rules be made in the G.O. or the land in question may be dis-forested & surrendered to Revenue Department for its grant to the school as per the rules of the Revenue Department in the subject matter

Sir,

SUBJECT:- ASSIGNMENT OF LAND TO SRI CAUVERY HIGH SCHOOL BHAGMANDALA.

.....

The President, Sri Cauvery High School, Thavoor village, Bhagmandala requests that 10-00 acres of land out of paisari Sy.No. 94/1 in Thavoor village may be granted for the construction of the High School building as they have got no other land for the purpose.

2. The land applied for is a protected forest which was created in the year 1956 as it forms part of the river Cauvery basin. On consultation the Conservator of Forests has given the consent to disafforest an area of 10-00 acres of land as the land contains very sparse and negligable bamboo growth.

3. The land is reported to be suitable for the construction of building and the President and the villagers have consented as the proposed land is ideal for the High School.

4. Since the land is required for a public purpose, I recommend that 10-00 acres of land out of Sy.No. 94/1 in Thavoor village, Bhagmandala Nad may be disafforested and permission accorded for the assignment of the same to the Sri Cauvery High School, Bhagmandala.

5. The connected records are enclosed for favour of perusal and orders.
